## **CLASS ASSEMBLY**

Well done to class 2 for a lovely class assembly today! They are working very hard and made us all very proud this morning. It's great to see how far they have come already this year. Thank you to all parents who were able to attend this morning.

## **SCHOOL COUNCIL SPONSORED EVENT**

Next Wednesday morning all the children in school will have the opportunity to take part in the school council's Sponsored Obstacle Course event. The members of the school council will be organising this with my assistance. All children will be given a certificate if they complete the course. They will then bring this home for parents to see. If your child has been sponsored for the event on the form sent home this week please collect the sponsor money and send it into school by 27<sup>th</sup> February. We appreciate any amount of money sent into school so that the children can decide how to improve the school after canvassing their classes for ideas. All junior school council children are welcome to come into school next Wednesday at 8.30am to help me set up for the morning. Please ensure the children have PE kits at school on this day. Thank you

## **ROAD SAFETY COMPETITION**

Thank you to those children who sent in entries to the road safety competition. Our infant winner was Joe Stead and our junior winner was Martha Stewart. Runner up was Olivia Hunter. All of the children have received their prizes in assembly and we will now be making the winning posters into signs to put up around school. Well done to all of our entrants.

## **PENISTONE GALA COMPETITION**

This year the theme for Penistone Gala and Mayor's Parade is a celebration of Star Wars. Penistone Gala is running two competitions for local school children to tie in with this theme. They would like children to draw or design a Star Wars-themed picture. They will publish some of their favourites in the Penistone Gala magazine, ahead of the Penistone Gala Weekend (9-11 June).

If you would like to enter, please send your entries to [PenistoneGala@gmail.com](mailto:PenistoneGala@gmail.com) to arrive by 12pm on Friday 24 February. Please make sure you also include your name, school and age.

## **3D Models for the Marquee**

They would also like children to design and build a Star Wars-inspired model. These will be put on display in the marquee at the Gala on Sunday 11 June. Models should be no larger than 50cm<sup>3</sup>. Prizes will be given to the winners along with the inclusion in any after event publicity.

If you would like to enter, please send details of your name, school and age to [PenistoneGala@gmail.com](mailto:PenistoneGala@gmail.com) as soon as possible. Then please deliver your model to us at the Gala marquee on Penistone Showground on Sunday 11 June between 9am and 1:30pm. Judging will take place at 3pm. If you would like to keep your model, it must be collected by no later than 3:45pm that day. (Please make sure details of your name, school and age are included with your model.) Unfortunately, we cannot accept liability for any damage caused to any models entered in the competition and they are left at the owners' risk. We will need to dispose of any models which are not collected by 3:45pm.

### **BIRD BOXES**

On Tuesday 7<sup>th</sup> February, class four will have the opportunity to work with Penistone Clean and Tidy group to make bird boxes for the local area. We hope the children will enjoy this experience and thank the group for their time with the children.
