

Hoylandswaine Primary School

Debt Recovery Policy

General requirements

The school will take all reasonable measures to vigorously collect debts as part of its management of public funds. A debt will be written off only after all reasonable measures (commensurate with the size and nature of the debt) have been taken to recover it.

The school's debt recovery policy will observe the relevant financial regulations and guidance set out in the Scheme for Financing Schools and any other legal requirements. In particular:

- The Governing Body will not write-off any debt belonging to the school which exceeds £300.

Any sums above £300 will be referred to the Executive Director of Children Young People and Families for approval for write-off.

The formal agreement of the Local Authority's Executive Director of Finance & Property (Section 151 Officer) will be obtained before a debt exceeding £300 is written off. (If any debtor has a number of debts which together exceed the write-off limit then these will be treated as a total amount).

Debts greater than £300 can only be written off by the Executive Director of Children Young People and Families on advice of the section 151 officer.

- A formal record of any debts written off will be maintained and this will be retained for 7 years (the form of this record is specified below).
- The school will not initiate any legal action to recover debts, but will refer any debts which it has not been able to collect (unless a decision to write-off the debt is demonstrably a reasonable course of action) to the Council's Legal Services Section to consider taking legal or other action to recover the debt.
- The school will NOT write-off any debt belonging to the Local Authority or another party, e.g. debts for school meals. If in doubt as to the appropriate action to collect any such debts the school will seek advice promptly from officers of the Local Authority.

In general payment for all goods and services supplied by the School should be collected in advance or 'at the point of sale'.

The procedures to secure the collection of all debts are outlined in paragraphs 3 to 2.4 and should be followed by all School staff.

2. Acceptable 'credit period'

The Governing Body has determined that the length of time they deem as an acceptable 'credit settlement period' for school lunches, before the debt recovery procedures are applied, is five school days.

The Governing Body may consider that an 'acceptable' credit period may vary between different income generating activities; for example;

- School Meals;
- Trips and activities (outside of the school day).

The Governing Body has determined that the length of time they deem as an acceptable 'credit settlement period' for outstanding payments to Owls, before the debt recovery procedures are applied, is ten school days.

Debt recovery procedures should be applied in accordance with item 4 of this policy.

3. Reporting of outstanding debt levels

The Head teacher will ensure that the level of outstanding debt is regularly monitored.

Suitable records will be maintained to detail individual debts and the total value of debt to the school in order that it can be determined at any time and reported to the finance committee.

The Finance Committee will review the level of outstanding debts every term to determine whether this level is acceptable and whether action to recover debts is effective.

(Monitoring of outstanding debts may be differentiated by type, e.g. if school meal debts prove more of a problem than those for lettings of premises then the frequency and degree of monitoring should reflect this).

4. Debt Recovery Procedures

4.1 Where payment from the parent/guardian has not been received in advance, or 'at the point of sale', the following process should be applied.

(a) An invoice should be issued for the full amount in order to officially set up the debt;

Where invoices are raised they should state the date by which payment is due; date/month/year.

(b) In all other cases, such as;

- correspondence with parents, etc. the maximum period that the school regards as reasonable before payment is overdue should be clearly stated, for example contributions for a school trip should be received by date/month/year.

- payment for items purchased should be sent to the school office by date/month/year.
 - If payment is not forthcoming the process detailed in 4.1(a) should be applied.
- (c) A record of all goods and services will be maintained detailing:
- type of good/services supplied;
 - value;
 - date(s) good/services supplied; and;
 - the identity of the 'debtor', e.g. child, parent, hirer, etc.

5. Verbal and Written Reminders

5.1 Details of all reminders, whether verbal or in writing, should be maintained. Where a letter is issued, a copy must be retained on file.

Should a debt need to be taken beyond two reminder letters, formal written evidence may have to be produced.

It is therefore important that at least one, but preferably two, written reminders are sent.

5.2 *Initial 'overdue payment' reminder*

An initial reminder may be informal and can be made either in person (when a parent/guardian comes to collect/drop off the child), or by telephone.

In general, the office manager or Owls co-ordinator will notify the parent/guardian after having built up a good relationship with the parents.

The date of the initial reminder should be recorded.

5.3 *First 'overdue payment' reminder letter*

A formal reminder letter should be issued 2 weeks after the informal reminder.

If action is to proceed further, it is necessary to prove that all reasonable attempts have been made to recover the debt, and that these attempts have been made in a timely manner, i.e. at the time that the debt first became overdue.

The date of the initial reminder should be recorded.

5.4 *Second 'overdue payment' reminder letter*

A second reminder letter will be issued 2 weeks after the First Reminder Letter.

The date of the initial reminder should be recorded.

6. Failure to respond to reminders / settle a debt

If after 2 reminders, a response or payment is not received, a letter will be sent to the debtor advising them that the matter will be referred to the Council's Legal Services Section.

At the discretion of the Finance Committee the debtor may be advised that they will be required to pay in advance for all future supplies or the supply will no longer be available to them.

This decision and its basis will be recorded and reported to the Governing Body.

7. Negotiation of repayment terms

Debtors are expected to settle the amount owed by a single payment as soon as possible after receiving the first 'overdue payment' reminder.

However, if people are unable to pay;

The School may reduce or cancel a debt in certain circumstances. A sensitive approach to debt recovery will be carried out, taking the following factors into account.

- Hardship – where paying the debt would cause financial hardship.
- Ill health – where our recovery action might cause further ill health.
- Time – where the debt is so large compared to the person's income that it would take an unreasonable length of time to pay it all off.
- Cost – where the value of the debt is less than the cost of recovering it.
- Multiple debt – where someone owes more than one debt to the School. In this situation an attempt to agree one repayment plan to include all debts will be established.

Debtors are expected to settle the amount owed by a single payment as soon as possible after receiving the first 'overdue payment' reminder.

If a debtor requests for 'repayment terms' these may be negotiated at the discretion of the Finance Committee.

A record of all such agreements entered into will be retained.

In all cases, a letter will be issued to the debtor confirming the agreed terms for repayment.

The settlement period should be the shortest that is judged reasonable.

The Finance Committee will decide whether any debtor who has been granted extended settlement terms will not be offered any further 'credit' and will, in future, be required to pay in advance.

This decision and its basis will be recorded and reported to the Governing Body.

8. Costs of debt recovery

Where the school incurs material additional costs in recovering a debt then the Finance Committee will decide whether to seek to recover such costs from the debtor.

The debtor will be formally advised in writing that they will be required to pay the additional costs incurred by the school in recovering the debt.

This decision and its basis will be recorded and reported to the Governing Body.

9. Bad debts

This debt recovery policy should be cross-referenced to the Scheme for Financing Schools.

Write-off of any debt requires the written approval of the Governing Body up to a maximum of £300.

A record of the write-off, the reason for it, and the approval for it, will be retained for 7 years.

10. Policy Review

This policy will be reviewed and approved annually by the Finance Committee and reported to the Full Governing Body.

Sample letter 2

Second 'overdue payment' reminder letter for school meals

Parent or guardian of xxxxxxxx xxxxxxxxxx

XXXXXXXXXXXXXXXX

XXXXXXXXXXXX

XXXXXXXX

XXXXX

xx/xx/xxxx

Our records show that you have not paid ____ money for your child xxxxxxxx xxxxxxxx Class: xx despite a previous written reminder and a telephone call.

As at xx/xx/xxxx our records show a debt of £-xx.xx

Please arrange for this money to be paid immediately through the electronic payment system.

The cost of a school meal is £2.00 per day - £10.00 per week.

Since non-payment for school meals affects the quality of service we offer to the children, we need to ensure that all payments are up-to-date and I am afraid that if the debt is not cleared on Monday it will not be possible to provide your child with a school meal. You will need to make your own arrangements for your child's lunch.

If you have any queries regarding these arrears, please contact the school office immediately.

Yours sincerely
