

School Council Meeting

Thursday 10th March 2016

1. Welcome

Everyone was welcomed to the meeting.

2. Sponsored event money

We discussed the money raised and asked for suggestions from school councilors so we could think about spending it. The suggestions were:

- Trampoline
- A school pet
- Swings and slides
- New playground markings
- New reading books
- Board games

We discussed which of these were suitable. We decided to ask if any children had board games they don't use at home that they could bring in instead of buying any. The school councilors decided to hold class councils before our next meeting to get the ideas of all the children in school. Then we will make a decision at the next meeting.

3. Summer term project

We discussed reading books in the quiet areas at playtime and lunchtime.

We discussed playground leaders and whether this was a good idea to have these again now that Miss Lockwood is on the MUGA at lunchtimes. The class 5 school councilors are going to discuss this in their class council and see what the rest of Y5/6 think.

At the next meeting we will get feedback and decide on the school council summer project.

Next meeting: 20th April 2016
