

School Council Meeting

Wednesday 18th February 2014

Welcome – JP

Jacob welcomed everyone to the meeting

Sponsor Money amount and plans to spend – HS

The money has been counted and we have a total of £1075. There were lots of ideas about ways to spend it but eventually we decided we wanted to spend it on improving the outdoor playgrounds. We will spend some of it on improving the log area and most of it on a new playground equipment trolley and all the equipment we will need so people can play.

House points system – decisions about future – JP

We talked about how this isn't being used any more and why. We still wanted to keep the houses but want to let children change the names so Mrs Cole will organise this with classes so they can vote. Mrs Cole is going to talk to the teachers about how we can use house points in the future so it is better for the children.

AOB HS:

None

Next meeting:

30th April 2014
