

School Council Meeting

Wednesday 17th November 2016

1. Welcome SS

Sam welcomed all the members and told them what was on the agenda

2. Posters for the playground TS

We talked about the posters that had been done by a previous school council group and that these were out of date now as we play in different places. We came up with some new rules to help playtimes better:

- Stay on the paths and playground whenever you can
- Use the playground equipment in the right way and take care not to hurt people
- Stay on the playground, not the banking
- If you see someone on the Buddy Bench ask them to play

Mrs Cole will type our ideas up and then we will decorate the posters. Then we can put them up around school.

3. Sponsored Event SS

We talked about the sponsored events from the other years and people gave lots of ideas for a sponsored event next year. We decided we will have an obstacle course sponsored event this year.

AOB TS

None

Next meeting is 12th January 2017
